Re: Retransmission Consent Election

Dear Mr. Turner:

This letter is in response to Zochnet's informal notice of its intent to initiate a video service in the Austin, TX Designated Market Area ("DMA"), including Bastrop, Burleson, Lee and Milam counties. Nexstar Broadcasting, Inc. ("Nexstar") is the licensee of television broadcast stations KBVO(TV), Llano, Texas, KHPB-CD, Bastrop, Texas and KXAN-TV, Austin, Texas, which are assigned to the Austin, TX DMA.

Please be advised that Nexstar hereby invokes its rights pursuant to Section 325(b) of the Communications Act of 1934, as amended, and Section 76.64(a) of the FCC's rules, to bar retransmission of the stations' signal by Zochnet on its referenced systems except pursuant to our express written authority granted pursuant to a retransmission consent agreement between you and us. This election is a continuing election from the date hereof through the initiation and continuing provision of service by your systems. In addition, this election is made for each and every community or video service that Zochnet intends to serve in the Austin, TX DMA.

We look forward to negotiating a retransmission consent agreement with you for Zochnet's retransmission of KBVO(TV), KHPB-CD and KXAN-TV on its new system. Please contact the undersigned at eryder@nexstar.tv when you are ready to commence retransmission negotiations.

Sincerely,

A handwritten signature in black ink, appearing to read "Elizabeth Ryder", with a long horizontal line extending to the right.
