

**ISSUES PROGRAMS FOR WGLD AM**

**1st QUARTER 2022**

**January – February - March**

**WGLD-AM QUARTERLY REPORT**  
**January - March 2022**

STATIONS: WSBA AM 910, 96.1 WSOX, WARM 103.3 and ESPN 1440 (WGLD AM)

ISSUES COVERED: Part 2 - Overcoming child sex abuse and how to turn that into a positive by creating a place in York County for survivors to heal.

PROGRAM: Community Focus

LENGTH: 27:00

DATE AIRED: 1/4/22 (originally 4/7/22)

TIME AIRED:

GUESTS: Kristin Woolley, child sex abuse survivor and founder of Turning Point in York.

PROGRAM DESCRIPTION: In part-2 we learn how Kristin took her pain and used it to create a therapy center to help other survivors of child sex abuse set out on their road to recovery. She had no experience in setting up a non-profit and she describes how one person with a vision can create a safe place for abuse victims.

STATIONS: WSBA AM 910, 96.1 WSOX, WARM 103.3 and ESPN 1440 (WGLD AM)

ISSUES COVERED: York County's Camp Security was one of nine prisoner of war camps that America used for British soldiers during the Revolutionary War. After more than a decade of preservation efforts, we go inside a major archeological dig that began in 2014.

PROGRAM: Community Focus

LENGTH: 27:00

DATE AIRED: 1/11/22

TIME AIRED:

GUESTS: Carol Tanzola, President of the Friends of Camp Security and Steve Warfel, former archeologist for the state of Pa.

PROGRAM DESCRIPTION: We learn the pitfalls and successes of trying to save historical treasures. We discover from the leader of the dig how he prepped for the work, what technology was used and what was found.

STATIONS: WSBA AM 910, 96.1 WSOX, WARM 103.3 and ESPN 1440 (WGLD AM)

ISSUES COVERED: York County's Camp Security was one of nine prisoner of war camps that America used for British soldiers during the Revolutionary War. After more than a decade of preservation efforts, we go inside a major archeological dig that began in 2014.

PROGRAM: Community Focus

LENGTH: 27:00

DATE AIRED: 1/18/22

TIME AIRED:

GUESTS: Carol Tanzola, President of the Friends of Camp Security and Steve Warfel, former archeologist for the state of Pa.

PROGRAM DESCRIPTION: We learn how the dig was carried out. we discover what the most common items that were found and what were some of the surprises. We also talked about what is ahead for the historical site.

**STATIONS:** WSBA AM 910, 96.1 WSOX, WARM 103.3 and ESPN 1440 (WGLD AM)

**ISSUES COVERED:** How one York County woman struggled with her son's drug addiction, and after his death, tried to pass along lessons learned to other families battling the problem.

**PROGRAM:** Community Focus

**LENGTH:** 27:00

**DATE AIRED:** 1/25/22

**TIME AIRED:**

**GUESTS:** Vickie Glatfelter, mother turned activist

**PROGRAM DESCRIPTION:** We learned how a family fought to help a son battle his drug addiction. The man ended up dying from an overdose in the spring of 2020, but his mother decided to use her pain to try and pass along lessons that she had learned the hard way. She started a small rally in her hometown of Dover and now she is trying to form a local chapter of a national group.

**STATIONS:** WSBA AM 910, 96.1 WSOX, WARM 103.3 and ESPN 1440 (WGLD AM)

**ISSUES COVERED:** An update on immunizations. We learn about the latest advances and why some diseases are making a comeback after many thought they had been under control.

**PROGRAM:** Community Focus

**LENGTH:** 27:00

**DATE AIRED:** 2/1/22

**TIME AIRED:**

**GUESTS:** Registered Nurse Joanne Sullivan, Exec. Dir. of the Pa. Immunization Coalition and Registered Nurse Audra Johns, clinical professor at York College's Stabler Department of Nursing and member of the York-Adams Immunization Coalition.

**PROGRAM DESCRIPTION:** We talked about why America seems to be a victim of its own success when it comes to battling some virus's like pertussis. We discussed why some Americans are choosing not to be protected by vaccinations. We also got an update on the flu vaccine and a new advance against HPV.

**STATIONS:** WSBA AM 910, 96.1 WSOX, WARM 103.3 and ESPN 1440 (WGLD AM)

**ISSUES COVERED:** How a local child advocates for an idea called the Buddy Bench which helps lonely kids connect with new friends.

**PROGRAM:** Community Focus

**LENGTH:** 27:00

**DATE AIRED:** 2/8/22

**TIME AIRED:**

**GUESTS:** 9-year old Christian Bucks, his Mom Alyson Bucks and the principal at his school, Matthew Miller at Roundtown Elementary.

**PROGRAM DESCRIPTION:** We learned about how Christian came on the idea of the Buddy Bench. While he did not invent it, his advocacy touched people nationwide and now there is at least one Buddy Bench in every state. His mom and principal talk about where Christian's empathy comes from and how his

advocacy shows kids that they don't have to wait for adults to solve problems.

**STATIONS:** WSBA AM 910, 96.1 WSOX, WARM 103.3 and ESPN 1440 (WGLD AM)

**ISSUES COVERED:** America has more than 2-million people in prison, one of the highest of any nation. We talked with Mary Sabol, Warden at the York County Prison about who they are holding and problems with overcrowding, recidivism and suicide.

**PROGRAM:** Community Focus

**LENGTH:** 27:00

**DATE AIRED:** 2/15/22 (replay from 6/23/22)

**TIME AIRED:**

**GUESTS:** Mary Sabol, Warden of the York County Prison

**PROGRAM DESCRIPTION:** We talked about how York came to have one of the few female prison wardens. She describes the many different kinds of inmates including the largest population of immigration detainees on the East Coast.

**STATIONS:** WSBA AM 910, 96.1 WSOX, WARM 103.3 and ESPN 1440 (WGLD AM)

**ISSUES COVERED:** National Eating Disorder Awareness Week is in February. We learn about some of the top disorders from the lead psychiatrist on the team at Penn State Hershey Medical Center's Eating Disorder Program.

**PROGRAM:** Community Focus

LENGTH: 27:00

DATE AIRED: 2/22/22

TIME AIRED:

GUESTS: Dr. Martha Levine, psychiatrist at Penn State Hershey Medical Center's Eating Disorder Program.

PROGRAM DESCRIPTION: We learned why the disorders seem to affect women more than men. We talked about the age peaks where more incidents seem to occur. We discovered how families can be more sensitive about the subject and how Penn State Hershey Medical Center's program has become an oasis of help for people living between Pittsburgh and Philadelphia.

STATIONS: WSBA AM 910, 96.1 WSOX, WARM 103.3 and ESPN 1440 (WGLD AM)

ISSUES COVERED: Various public health issues from Ebola, the flu, immunizations, to outbreaks of mumps, measles and drug overdoses.

PROGRAM: Community Focus

LENGTH: 27:00

DATE AIRED: 3/1/22

TIME AIRED:

GUESTS: Dr. David Hawk, Medical Director for the York City Health Bureau

PROGRAM DESCRIPTION: We talked about fighting infectious diseases like Ebola and lessons learned from the Fall-2014. We discuss the latest flu vaccine and why this year is a particularly bad year for the flu. We also learn more about the need for parents to keep up with their kids immunizations.

**STATIONS:** WSBA AM 910, 96.1 WSOX, WARM 103.3 and ESPN 1440 (WGLD AM)

**ISSUES COVERED:** We get an update repair projects and funding issues concerning Pa.'s road and bridges.

**PROGRAM:** Community Focus

**LENGTH:** 27:00

**DATE AIRED:** 3/8/22

**TIME AIRED:**

**GUESTS:** Mike Keiser, PennDOT District-8 Executive

**PROGRAM DESCRIPTION:** We learn about how the state's new gas tax will affect drivers other than in their wallets. We discover the extent of Pa's road and bridge system. We talked about what exactly PennDOT is responsible for.

**STATIONS:** WSBA AM 910, 96.1 WSOX, WARM 103.3 and ESPN 1440 (WGLD AM)

**ISSUES COVERED:** Part-2 of our update with PennDOT concerning bridge and road repair projects as well as funding issues.

**PROGRAM:** Community Focus

**LENGTH:** 27:00

**DATE AIRED:** 3/15/22

**TIME AIRED:**

**GUESTS:** Mike Keiser, District-8 Executive

**PROGRAM DESCRIPTION:** We talked about the agency's mindset in delivering customer services to the state's drivers. We

also discussed the future of roads and bridges and how the new state gasoline tax increase will benefit residents and business.

**STATIONS:** WSBA AM 910, 96.1 WSOX, WARM 103.3 and ESPN 1440 (WGLD AM)

**ISSUES COVERED:** South Central Pa. is home to the state's #1 agricultural economic engine, but the future of farming is in doubt as fewer people chose to make a living in that industry.

**PROGRAM:** Community Focus

**LENGTH:** 27:00

**DATE AIRED:** 3/22/22

**TIME AIRED:**

**GUESTS:** Nedette Otterbein is the executive director of the Horn Farm Center For Agricultural Education. John Darby manages their Incubator Farms Project.

**PROGRAM DESCRIPTION:** We learned about how the center was founded and why they are trying to get people excited about farming. We talked about the advice and projects they offer that remove barriers to younger people who might want to try farming but may not because of the high investment in land and equipment.

**STATIONS:** WSBA AM 910, 96.1 WSOX, WARM 103.3 and ESPN 1440 (WGLD AM)

**ISSUES COVERED:** Where to find free resources that can help small business owners and people who want to become their own boss.

**PROGRAM:** Community Focus

**LENGTH:** 27:00

**DATE AIRED:** 3/29/22

**TIME AIRED:**

**GUESTS:** Jule Poland, certified business coach and volunteer with the new Susquehanna SCORE, Service Corps Of Retired Executives

**PROGRAM DESCRIPTION:** We get an update from Ms. Poland on her view of the local economy compared to her last visit in 2019. We hear about new trends locally. We also learned about the common mistakes made by new entrepreneurs. We discussed how to access free resources to give new business owners the best chance for success.
