Under authority of the Communications Act of 1934, as amended, the consent of the Federal Communications Commission is hereby granted to the transaction indicated above.

The Commission's consent to the above is based on the representations made by the applicants that the statements contained in, or made in connection with, the application are true and that the undertakings of the parties upon which this transaction is authorized will be carried out in good faith.

The actual consummation of voluntary transactions shall be completed within 90 days from the date hereof, and notice in letter form thereof shall promptly be furnished to the Commission by the seller or buyer showing the date the acts necessary to effect the transaction were completed. Upon furnishing the Commission with such written notice, this transaction will be considered completed for all purposes related to the above described station(s).

FCC Form 323, Ownership Report, must be filed within 30 days after consummation, by the licensee/permittee or assignee.

ADDITIONAL REQUIREMENTS FOR ASSIGNMENTS ONLY:

Upon consummation the assignor must deliver the permit/license, including any modifications thereof to the assignee.

It is hereby directed that, upon consummation, a copy of this consent be posted with the station authorization(s) as required by the Commission's Rules and Regulations.

The assignee is not authorized to construct nor operate said station(s) unless and until notification of consummation in letter form has been forwarded to the Commission.

NOTICE TO ASSIGNEE/TRANSFeree:

Enclosed is the FCC Form 732 notifying you of Commission consent to assignment/transfer of control of the construction permit and/or license of the station(s) described therein.

Consummation. A voluntary assignment/transfer of control must be consummated within ninety (90) days of the date of the Commission grant of consent. Upon consummation, the assignee/transferee should immediately electronically file a consummation notice, and email Keith Coburn, Audio Division (Keith.Coburn@fcc.gov), as to the exact date of consummation (i.e., the date on which the acts necessary to effectuate the assignment /transfer of control were completed). It is important that the consummation notice include the station's official address so that all Commission correspondence comes to the immediate attention of the licensee. Only one mailing address may be maintained for each station.

Extension of time to consummate. Extensions for up to an additional ninety (90) days to consummate are routinely granted. Subsequent extension requests must be accompanied by a good cause showing and certification that all representations contained in the original application remain true and accurate. All requests for extension should be filed electronically, and emailed to Keith Coburn at the email address listed above.

Consummation notifications and requests for extension of time to consummate should be filed electronically through the Media Bureau's CDDBS online electronic forms system. For more information regarding these electronic filings, refer to the February 28, 2006, Public Notice, DA 06-472, Media Bureau Announces New Features in CDDBS.

Ownership Report. Within thirty (30) days after consummation of the transaction, unless the respective parties are Low Power FM Radio Station entities, or are FM Translator Radio Station entities, the new permittee or licensee must submit an Ownership Report (FCC Form 323 for commercial entities; FCC Form 323-E for noncommercial entities) reporting all changes as required by 47 C.F.R. §73.3615. If the assignment/transfer of control was involuntary, as a result of a death or court action, an ownership report must be filed to demonstrate that all Commission rule requirements have been met and reported. Electronic filing via CDDBS is required for all Form 323 and Form 323-E filings. Detailed instructions for accessing, completing, and submitting the Form 323 and Form 323-E are available in CDDBS.
