### **Special Olympics: Over The Edge**

This April take your support for Special Olympics Georgia to new heights! Do you think you can be as brave as our Special Olympics athletes by getting out of your comfort zone? Well, here's your chance! On April 26, 2014 join "edgers" who are willing to face the challenge of raising \$1,000 to rappel off Buckhead Tower (a 20 story building) for the 25,878 athletes of Special Olympics Georgia.

Special Olympics Georgia provides year-round sports training and athletic competition for children and adults with intellectual disabilities. Their goal is to help bring persons with intellectual disabilities into the larger society under conditions whereby they are accepted, respected, and given the chance to become useful and productive citizens. Special Olympics Georgia invests in people with intellectual disabilities, helping them to develop athletic skills, while also promoting the abilities of the athletes off the field. Athletes gain skills for employment, learn independent living skills, form relationships and help others understand their extraordinary capabilities despite health issues they experience daily.

### **Fight For Air Climb**

Fight for Air Climbs are unique fundraising events for the American Lung Association. They usually happen in prominent skyscrapers, stadiums or arenas and involve climbing multiple steps. Sometimes called a "vertical road race", teams and individual participants can use the event as a fitness target, as a race, with you challenging yourself or you racing against other people, or as a great way to be active and meet new friends. American Lung Association Climbs are also a wonderful way to support someone who has lung disease or as a memorial to someone who has passed away.

More than 600 participants will race to the top of 191 Peachtree Tower in the American Lung Association's Fight for Air Climb on April 19th, 2014.

## **Goddard School**

---

The Goddard School approach is based on widely-accepted childhood development and brain-based learning research that clearly indicates the deepest, most genuine learning occurs for children through play and fun activities. Goddard fosters the cognitive and social development of each child through fun activities that are lovingly guided by highly trained teachers.

Representatives from Goddard discussed their education approach, upcoming community outreach and environmental programs and promoted their open house to highlight these programs.

## **Clean Air Campaign**

As Georgia grows, so do its traffic congestion and air quality challenges. Addressing these challenges requires a full-range of strategies -- from strategic investments in new transportation supply to demand management strategies that ensure we are making the most efficient use of our transportation investments.

The Clean Air Campaign works under contract with Georgia DOT to deploy a suite of cost-effective demand management programs and services to Georgia employers, commuters and schools.

The Clean Air Campaign and its partners offer assistance to more than 1,600 employers to design and implement commute options programs that make business sense; protect public health; offer targeted incentives to commuters and employers; provide Smog Alert notifications; and work with elementary, middle and high schools to protect children from harmful pollution and empower children to take a positive role in reducing traffic and cleaning the air.

---

The Clean Air Campaign also secures private funding through corporate and foundation grants to conduct additional programs and expand its impact.

Each day, these efforts help reduce traffic by more than 1.4 million vehicle miles and keep 700 tons of pollution out of the air we breathe.

## **Fernbank Museum of Natural History: Whales**

Fernbank Museum of Natural History is one of the 10 largest natural history museums in the United States. With its permanent exhibit, "Giants of the Mesozoic," Fernbank became the first museum in the world to assemble a collection of the world's largest dinosaurs. Beyond the ferocious beasts menacing visitors in the 86-foot-tall Great Hall, the exhibit, "A Walk Through Time in Georgia," recreates the Earth's natural history using Georgia's landscape, vegetation, wildlife and fossils.

---

In addition to its permanent exhibits, Fernbank also host touring exhibits throughout the year. Fernbank spokesperson Brandi Berry came in to discuss the latest exhibit, *Whales: Giants of the Deep*, on view February 15 – August 24, 2014.

Journey to the vibrant underwater world of the mightiest animals on Earth.

Did you know that a blue whale is the same size as a 737 airplane, or that its tongue alone weighs more than a whole elephant? Did you also know that gray whales migrate over 12,000 miles a year, farther than any other mammal known?

Plunge into the mysterious world of whales and explore their relationship with humans in this NEW special exhibition. Featuring a unique blend of science and storytelling, this interactive exhibition is filled with fun ways to explore whales from the inside-out.

Highlights include opportunities to explore whale songs, traditional legends from the South Pacific, beautiful artifacts, enormous whale skeletons up to 58-feet-long, and unique experiences such as climbing through a life-sized model of whale heart (that's as big as a car!).

## **Career Counseling: Surviving In The Deep End**

In these uncertain economic times people either find themselves unemployed or at a disadvantage with their employer. Each month Career Counselor Hallie Crawford comes in to discuss these issues as well as new tips on how to be viable in the current market. Among the topics are finding the right job/your perfect job; staying in the same field or new job training; and the benefits of being employed while pursuing a new career.

On this segment Hallie discussed surviving in the business environment when you feel in over your head. Whether it be a new job or big project, Ms. Crawford came up with a list of seven tips to help keep your head above water and eventually succeed.

## **Children's Healthcare of Atlanta: Coasterthon**

---

Children's Healthcare of Atlanta, a not-for-profit organization, is dedicated to making kids better today and healthier tomorrow. Our specialized care helps children get better faster and live healthier lives. Managing more than half a million patient visits annually at three hospitals and 19 neighborhood locations, Children's is the largest healthcare provider for children in Georgia and one of the largest pediatric clinical care providers in the country. Children's offers access to more than 60 pediatric specialties and programs and is ranked among the top children's hospitals in the country by U.S. News & World Report. With generous philanthropic and volunteer support, Children's has made an impact in the lives of children in Georgia, the United States and throughout the world.

Representatives from CHOA came in to discuss their latest fund and awareness raising event, Coasterthon. The Coasterthon for Children's was held Friday, June 13, 2014 at Six Flags Over Georgia. Riders experienced the Mind Bender rollercoaster from 10am-7pm and collected donations prior to the event.

## **Boys & Girls Clubs and the Taco Bell Foundation for Teens**

For nearly 75 years, Boys & Girls Clubs of Metro Atlanta (BGCMA) has been in the forefront of youth development, working with young people from disadvantaged economic, social and family circumstances. BGCMA enriches the lives of girls and boys that other youth agencies fail to reach. BGCMA is dedicated to ensuring that our community's young people, who are most in need of our help, have greater access to quality programs and services that help them succeed academically, live healthy lifestyles and become leaders.

A private, nonprofit organization, Boys & Girls Clubs of Metro Atlanta improves young lives as well as the communities that surround and support us. The organization relies upon private, corporate, individual and United Way funding to fill the gap between membership dues and operational expenses.

Every year, the Atlanta Taco Bell Restaurant Association raises over \$100,000 to support the TBFT mission of "inspiring teenagers to graduate." These funds are typically allocated to students through grant programs with Boys & Girls Clubs of Metro Atlanta.

---

Through pledge cards, Taco Bell provides encouragement and incentives for potential graduates. All seniors who signed the Taco Bell pledge and graduate receive a free cap and gown as part of the program!

## **Northside Hospital: Sarcoma Sunset Stroll**

The Northside Hospital Cancer Institute hosted the 2nd Annual Sarcoma Awareness Sunset Stroll, Wednesday, June 25, 2014, at Piedmont Park. Participants enjoyed a leisurely sunset stroll through beautiful Piedmont Park honoring sarcoma patients and raising awareness for this disease.

Sarcomas are cancers that develop from connective tissues of the body such as fat, muscles, nerve tissue, fibrous tissues or blood vessels. They account for just one percent of cancers in adults. According to the American Cancer Society, there will be about 12,000 new cases of sarcomas in the U.S. in 2014. About a third of those patients will die from the disease. Because sarcomas are so rare, many patients have never heard of the disease prior to diagnosis.

Dr. Gina D'Amato came into to discuss and promote the event.

“This lack of awareness can cause patients anxiety and a feeling that they are ‘alone’ in their journey,” said Georgia Cancer Specialists’ Dr. D’Amato, who started the Sunset Stroll in 2013. “The Sunset Stroll gives patients, loved ones and healthcare providers a chance meet one another and exchange experiences, which in turn will give them hope and encouragement.”

“Equally important is the awareness to the community the Sarcoma Stroll can add to the cause,” adds Dr. D’Amato. “We planned the event in Piedmont Park so hopefully others will see it, ask questions and learn about sarcoma. The more people know about this type of cancer, the better.”

There is not fee to participate in the 2014 Sarcoma Awareness Sunset Stroll. However, donations are welcome. All proceeds will benefit education, treatment and support for patients at the Northside Hospital Cancer Institute.

## **State Road & Tollway Authority: Peach Pass**

The State Road and Tollway Authority (SRTA) is a state-level, independent Authority created by the Georgia General Assembly to operate tolled transportation facilities within the State and act as the transportation financing arm for the State. Through SRTA, user fees have been successfully utilized to build the Sidney Lanier Bridge over the Brunswick River, the Torras Causeway, “the gateway” to the St. Simons community and the Georgia 400 Highway corridor.

Representatives from SRTA came in to discuss the Peach Pass and the new Pay N’ Go option for commuters. A Peach Pass is a small, thin electronic toll collection device similar to the GA Cruise Card that adheres to a vehicle windshield OR a bumper that mounts to the front of your vehicle. The Peach Pass is connected to an account established with the State Road and Tollway Authority (SRTA) that automatically deducts the proper tolls when using the electronic toll lanes of the I-85 Express Lanes and any future toll roads in the state of Georgia.

The Pay n Go Peach Pass is their newest option for motorists who want greater choices for more reliable commute times. Commuters who prefer to use cash to open or reload their Peach Pass account have that option. CVS or Walgreens locations will make Pay n Go Peach Pass’ available with your desired amount, from \$20 to \$500.
