**Subject:** Marketplace text for May 20, 2023

Sent Hi, Nancy!

Would you happen to have a conference room we could use for Marketplace for Kids on Sunday, May 20th? We are filming a promotion video. We'd need the room for about 2 hours.

Thanks! Mary

We need to get together to catch up. It has been too long!

I'm at UND for a nursing graduation. Fun to be back on campus!

Thank you so much for having us and thank you for the sound clip! We've been looping it constantly for everyone to hear. The group we brought really enjoyed it. We are thinking mid to late May for another round if we can, shooting for an afternoon time, most likely on a Wednesday again. Just let me know what we can make work!

### 3. Career Days

- a. Concordia College – April 2023
- b. Davies High Career Day – April 19, 2023

**From:** Jody [REDACTED]

**Subject:** [EXTERNAL] Davies Career Day - session confirmation

Hello –

Thank you for agreeing to visit with our students during Career Day on Wednesday, April 19, 2023. We truly appreciate your partnership in educating our students about careers!

Here are some important logistical details:

1. You are scheduled for **two 25-minute sessions** beginning at 2:00 PM
  1. Students will have 5 minutes to pass between sessions
    1. 2:00 – 2:25
    2. 2:30 – 2:55
2. Davies High School address is 7150 25<sup>th</sup> St S, Fargo ND
  1. Parking is available in the bus loop or in the main parking lot on the east side of our building
  2. Student and staff helpers will be available to assist you in unloading and carrying items into the school if needed
3. Speaker check in will be in the Davies Commons, right inside the main door
4. Students and staff will be available to walk you to the classroom you will be presenting in
5. Each classroom will have a host teacher to help you with anything in the room you may need, and will also take student attendance
6. Since the sessions are just 25 minutes, you can decide if you want to allow time for questions at the end of each session, or encourage students to ask throughout your session

If you plan to use technology for your presentation:

1. Our projectors are set up with VGA connections or Microsoft Wireless Displays
2. We have VGA to HDMI/Displayport adapters, so if your device has those ports, you can connect wired as well
  1. Unfortunately, we do not have any projector setup ability for Apple devices, if you are using a Macbook or iPad, you will need to have your own adapter to VGA for them
  2. Apple devices will not connect to the Microsoft Wireless displays

Please contact me if you have any questions. We look forward to seeing you on April 19!
