Radio Fargo-Moorhead, Inc. Annual EEO Public File Report Period Covered December 1, 2021 to November 30, 2022

Supplemental (Non-Vacancy Specific) Recruitment Activities Undertaken

Radio Fargo-Moorhead, Inc. licensee of the above referenced station, has and will continue to be an Equal Opportunity Employer. As required by Section 73.2080 of the Commission's Rules, the stations have participated in several different recruitment activities to ensure broad outreach, including the following:

- 1) Internship Programs (73.2080(c) (2) (v)). The program is designed to help college students acquire skills needed to obtain broadcast employment. Area colleges, including North Dakota State University, Concordia College, and Minnesota State University Moorhead, are notified of the opportunity to participate. Radio Fargo-Moorhead, Inc. also utilized their respective on-line websites and radio station social media to solicit for Interns. The interns are given the chance to explore various areas of broadcast and promotional employment. We employ them on a part time basis. We contacted the mass communications department at the colleges and spoke with the directors of those programs for students and spoke at one of the mass communication's classes. We are the voice of the NDSU Bison and our two staff members interview student athletes and inform them of our internship program. We had one of the NDSU Bison Football Team players work with us June, July and August this year. They work out two times a day with the team and we employ them middays for board operation and on air announcing.
- 2) Radio Station Building Tours (73.2080(c) (2) (xi)). This program offers area schools and students, area day care facilities, Girl Scout Troops, Boy Scout Troops and Assisted Leaving Facilities the opportunity to tour the Stations' broadcast facilities and talk to onair staff to learn about the broadcast industry. Area listeners have used this as an opportunity to learn more about careers in broadcasting, to meet on air personalities at the stations and to earn their Media Badge. We have opened our conference room for various charities, girl scouts and networking groups to hold meetings. This year we had a Girl Scout Troup and Six Networking Groups tour our broadcast center and they held meetings after the tour in our multi purpose room.
- 3) Career Days Outreach (73.2080(c) (2) (xvi)). The program is designed to help area students to understand the skills needed to obtain broadcast employment. We reached out to NDSU, MSUM and Concordia College Communications Departments and volunteered to come to their class to speak about audio, broadcast and sports broadcasting. We had an on air personality and Influencer visit one class at Concordia College. The students participated in a question and answer session to help students understands the current environment of the broadcast industry and how we are evolving.

4) Radio Fargo-Moorhead, Inc. Job Fair (73.2080(c)(2)(i). Radio Fargo Moorhead sponsored and organized two local job fairs annually. We call this event "Hired". Various Employees from the programming, sales and promotions department attended the Radio Fargo-Moorhead, Inc. Job Fairs at the Delta Hotels by Marriott Fargo in January 2022 and August 2022. The station employees attended the Job Fair to solicit for on-air talents, sales positions and promotions at the stations and to accept resumes from interested applicants.
