Just like last year we are seeking churches who want to get involved and connected to serving our community by setting up an Blessing Tent. Last year we had a great response, with many churches and community organizations coming together to distribute free hot dogs, snow cones, popcorn, coloring books, and so much more.

Churches, if you are looking for a chance to connect with the community, this is an event you will not want to miss. If you would like to have a table or tent space at Saturate Altoona this year, please let us know. You are welcome for as many or as few of the Sundays in June as your church can participate. Please let us know you are coming and what item you wish to bless the community with.
